

# The Big Bang Business Accelerator

## WORKSHOP 1

### Little Q's

How connected do you feel your business is to your dream business and your vision of yourself for the future?

What do you feel is the biggest **external** obstacle to building the business of your dreams?

What do you feel is the biggest **internal** obstacle to building the business of your

dreams?

## Big Q's

Take your time. This is for you.

Breathe.

Allow yourself to write the biggest dreams you can imagine for yourself - then dream bigger and bigger still.

This isn't about business. It's about you. Everything you could ever dream for you, your heart and soul.

If possible, try to stay away from words like programs, offers, dollar amounts and material possessions.

How would you feel, if you could create a life so powerful, so expansive, so connected to the depth of your soul and who you are?

No ideal day. No ideal client.

Heart. Soul. Impact. Emotions. Being.  
Nourished. Excited. Fulfilled.

It doesn't matter what situation you are in now - married or not, kids or not, a business or not.

If you could create and be anything, what would that look like?

No guilt. No apologies.

Just pure, unadulterated joy.
